# HENNESSY PARADIS IMPERIAL

Created in 2011, Hennessy Paradis Impérial is a rare Cognac that exemplifies ultra-precise selection, maturation and blending, comprised of only 10 out of 10,000 eaux-de-vie of any given vintage. This blend defies preconceptions about old Cognacs with its pale color and non-traditional taste: the golden hue is unprecedented for eaux-de-vie of this age; further, maturation in very old casks only slightly influence the blend's flavor, preserving the subtleties of these very unique eaux-de-vie, which are sourced from one of the oldest libraries in the world.
